## TO PAVE PIKE WITH CEMENT

Commissioners Decide to Construct  
Permanent Highway West of Here  
to Shelby County Line

COVERS NINE AND HALF MILES

Boards Hopes to be Able to Let  
Contract to Two Firms by May  
—Under County Unit Law

Before adjourning late yesterday afternoon, the commissioners decided to order the construction of the first road in Rush county under the new county unit law when they determined, after inspecting the highway, to improve with cement the pike running from the west corporation line in Third street, to the Shelby county line west of Arlington, a distance of nine and a half miles.

Although no record was made by the commissioners, they reached an agreement to adopt a report as viewers, favoring the construction of the road with cement, and rejecting the petitions to build two stretches on the same road with cement under the three-mile road law. It is stated authoritatively that the preliminary steps will be taken at once so that the contracts may be let by May 1. The present plan is to give the job to two contractors, one for four and a half miles and one for five miles, so that it may be completed next summer.

This will do away with the Dr. F. G. Hackleman and S. S. Offatt road petitions as they covered parts of the west pike. The Hackleman petition called for the cementing of the road for a distance of three miles, beginning at the end of the brick pavement, in Rushville, and the Offatt petition was for the cementing of three miles, beginning at the Shelby county line and running east through Arlington.

The commissioners came to this decision after being requested by attorneys for road petitioners to determine on a policy for 1920—whether they would improve by—roads temporarily or construct permanent highways on the trunk lines. It was pointed out to the commissioners that though the state highway commission is empowered to take over trunk lines and keep them repaired, it will be a decade or more before the state body builds any roads in Rush county because its program was built on the theory that revenue would be derived from a ten cent tax levy, whereas the state board of tax commissioners reduced the levy for the highway commission to three cents and nine mills.

In view of the fact that there is little hope of assistance from the state highway body for many years, the commissioners were shown that it was up to them to improve the main traveled roads of the county permanently as such a policy is more economical than building stone roads which last only a few years. There are ample funds in the

## RAIN TURNS INTO SLEET

Walks and Streets Covered With Icy  
Coat Last Night

The continued cold spell was broken yesterday afternoon and last evening, when the mercury went up to 32 degrees. In the midst of the increasing temperature, a sleet began falling late in the afternoon, and then the freezing which followed, gave the streets and walks an icy coating. Pedestrians and motorists found hard traveling last night but today the temperature moderated to a great extent. The weather report for tonight however predicts lower temperature, which will mean more slick walks.

## RAIL. STRIKE AGREEMENT

United Mine Workers Favor Com-  
promise, 1,639 to 221

(By United Press.)  
Columbus, Ohio, Jan. 7.—United Mine Workers of America, meeting today, ratified the plan under which the recent coal strike ended by a vote of 1,639 to 221. The vote came at the end of the strike session in which the radical element of the union voted to block the approval of the plan. Under terms of the settlement President Wilson's commission of three men will fix the basis of wages for the bituminous miners.

## THIRD AMERICAN REPORTED KILLED

Shooting of Gabrielle Porter, on Top  
of Death of Two Other U. S.  
Citizens, Complicates Matters

CONSUL'S REPORT IS AWAITED

(By United Press.)  
Washington, Jan. 7.—Gabrielle Porter, an American citizen in the employ of the Penn-Mex company, was shot and killed by Mexican Federal army officers in Texpan, Dec. 21, the state department was advised today by the American consul at Tampico. "The consul has been directed by telegraph" the state department said "to report further information and as warranted by conditions to urge local authorities in the Tampico district to arrest and prosecute the guilty person."

The state department so far has not a complete report on the details of the murder of the two American employees of the International Petroleum Company.

The killed reported yesterday and that of Porter today may bring a new strain on Mexican relations if it is shown that Carranza soldiers are responsible.

## UNDERWOOD UTTERS THREAT IN SENATE

Says He Will Offer Resolution For  
Conciliatory if Treaty is Not  
Adopted

NEW OBSTACLES IN THE WAY

(By United Press.)  
Washington, Jan. 7.—Senator Underwood in the senate today served notice on those working for a treaty compromise that if they do not speedily reach an agreement he will call up his resolution for a conciliatory committee.

The democrats' proposal for a compromise are unacceptable in their present form to Senator Lodge and his followers because they fail to agree with Lodge's view on article 10, it was announced today.

The democrats' reservations will be revised by mid reservation republicans and returned to the democrats. If the democrats will accept the modification, there is a possibility that an agreement may be in sight, senators said.

But those best informed pointed to new obstacles which must be overcome before any suggestion can receive the 64 votes necessary to ratify it.

First it was pointed out much depends upon what President Wilson says in the Jackson Day message to the democrats. If he again demands unqualified ratification all efforts of compromise may as well be dropped.

## COUNCIL HOLDS A SHORT SESSION

Has Very Little Business to Trans-  
action Account of Meeting Last  
Day of Year

REPORTS PLANT CONDITIONS

Supt. A. T. Mahin Says That New  
Machinery Should Arrive Soon  
and Will be Installed at Once

The city council met in regular session last night, it being the first meeting of the new year, and as the council had met only the week previous to settle up the business for 1919, there was nothing must to be transacted last night, and the meeting was soon adjourned.

Mayor Irvin and Councilman Wagoner were absent, and Councilman Scudder occupied the chair. Superintendent Mahin reported as to the condition of the plant, and as to the progress being made on the addition. The work has been lagging on account of the shortage of help, and the delay in securing shipment on part of the new equipment.

He stated however, that the machinery was being shipped at once, and would be installed immediately upon arrival. Charles Conde was injured while assisting a representative of the engine company, and at the time his injury was not thought serious. Later developments however, showed a bruised foot and medical attention was required. The accident happened several days ago, and the matter of liability insurance was taken up with the Chase Engine company, by whom he was employed as an assistant in installing the new machinery. Supt. Mahin read a letter last evening from the factory, stating that they would attend to the adjustment of the injured party, and thereby acknowledged that they were liable for the accident.

The question of disposing of cinders at the plant was taken up, and it was decided to raise the price of a flat bed load from 75c to \$1.00. The city will also purchase the cinders for any repair work, and for a gravel bed load will be charged 25c a load.

It was pointed out that cinders make fine alleys, and the street commissioner was advised to use cinders for that purpose wherever he thought it best.

The new men recently employed as firemen and engineers at the plant to take the place of those who struck, were reported by Supt. Mahin, as becoming familiar rapidly with their new work, and in a few days would have their duties well mastered.

The usual pay rolls were not allowed last night, because they had been allowed only the week previous. The council adjourned after being in session for about thirty minutes.

## TOLL ESTIMATED AT 2,000

Deaths in Vera Cruz Alone Amount  
to 1,000 Following Earthquake

(By United Press.)  
Mexico City, Mexico, Jan. 7.—Estimates of the total number of dead in Saturday night's earthquake was reported over 2,000 today. Later advices substantiated the report that 1,000 were killed in the state of Vera Cruz.

The whole side of the hill on which the town was situated collapsed, it was said, damming the river at the foot and flooding the town and drowning many people. Others were crushed to death by huge boulders which came down the mountain side. Three soldiers were reported killed when a church tower collapsed.

## DOUBLE FUNERAL TO BE CONDUCTED

Mr. and Mrs. Rueben Runyan Die  
Within Few Hours of Each  
Other at Home in Glenwood

HUSBAND 81 AND WIFE 79

Mrs. Runyan's Illness Dates Back  
Two Years When She Fractured  
Her Hip and Became Cripple

Two aged Glenwood residents, husband and wife, died within a few hours of each other, the husband, Rueben Runyan expiring this morning at nine o'clock and his wife Maria Runyan, preceeding him in death late yesterday afternoon.

Mr. and Mrs. Runyan were well known people of Rush and Fayette counties, living in Glenwood for the last 28 years. Mrs. Runyan was 79 years of age and Mr. Runyan 81.

Two years ago Mrs. Runyan fell and sustained a fractured hip, and she never fully recovered from this injury, being left a cripple. Mr. Runyan had been in good health this winter until a few weeks ago, when he became ill, and his death was expected at any time within the past few days.

Before moving to Glenwood, Mr. Runyan was engaged successfully in the farming business, and in recent years had retired. They were married 57 years ago, and are the last of their large family to die. One son, William C. Runyan, survives.

When Mrs. Runyan expired yesterday afternoon, little hopes for the recovery of her husband were held, and it was then decided that the funeral would be held up for a few days awaiting the outcome of Mr. Runyan's illness.

A double funeral will be conducted for Mr. and Mrs. Runyan Friday afternoon at two o'clock at the M. E. church in Glenwood, by the Rev. Mr. Taylor, and burial will be made in the Glenwood cemetery.

## CHURCH RAISES OVER \$12,000 DURING 1919

More Than Half of Sum Subscribed  
by Christian Congregation  
For Benevolences

FIFTY MEMBERS ARE ADDED

The annual report of the Main Street Christian church shows a grand total of \$12,360.59 raised for all purposes during the year, of which more than half, or \$8,751.07, was for missions and benevolences.

There were fifty members added to the church during the year, according to the report. The pastor, the Rev. L. E. Brown, conducted forty-three funerals and officiated at forty-seven weddings. The average attendance at the Bible school was 379, the smallest being 219, and the largest 709. The financial report is as follows:

Church for current expenses, \$4790.26; Missions and benevolences, \$3244.22; Bible school current expenses, \$813.26; Missions and benevolences, \$2272.60; C. W. B. M. Missions, \$179.80; Young Ladies Mission Circle, \$114.45; Grand total for all purposes, \$12,360.59; Grand total for missions and benevolences, \$8761.07.

## MORAN IS GIVEN 18 MONTHS

Roy Geisinger Also Sentenced For  
Part in Fake Fight Swindle

(By United Press.)  
Indianapolis, Ind., Jan. 7.—Charles "Chappie" Moran was sent to the federal prison at Atlanta for 18 months and fined \$500 for participating in the Muncie fake fight and land swindle, today.

Roy Geisinger, farmer at Decatur, Ill., was sentenced to six months in the Marion county jail and fined \$300 on a like charge. Moran was a leader of the gang at one time and Geisinger acted as steerer in bringing one victim into the fold.

## GRAND JURY IS IN SESSION AGAIN TODAY

Expected to Complete Investigations  
For This Term of Court by  
This Evening

TWO GIRLS FAIL TO APPEAR

The grand jury was in session again today and it was thought perhaps they would finish up with their investigations for this term of court. About 15 persons were summoned before them, several being from the northeast part of the city. Two young women who were summoned yesterday afternoon by Deputy Sheriff Ed Spradling failed to appear this morning, and left the city, according to their mother, who appeared also before the grand jury.

Prosecutor Stevens will probably take some action against these women for violating a grand jury subpoena by not appearing. Miss Gladys Smith, daughter of Walter S. Smith was before the grand jury this morning. Mr. Smith was arrested last Saturday on a charge of incest and was released on his own recognizance, after failing to provide a \$1,000 bond. Miss Smith is about 20 years old, and it is said that the charge was brought against him, alleging that he had had illicit relations with his daughter. His trial has not been set.

## DR. JOHN M. LEE TO CONTINUE AS CORONER

Having Been Appointed to Fill Out  
L. M. Green's Term, He is Named  
to Take W. S. Coleman's Place

LATTER IS LIVING AT MIAMI.

Dr. John M. Lee has been appointed county coroner by the county commissioners to take the place of Dr. Will S. Coleman, who has moved to Miami, Florida since he was elected. Dr. Coleman's term began January 1, 1920. He was elected to succeed Dr. Lowell M. Green who appointed Dr. Frank H. Green to act as coroner when he organized the sanitary detachment and went to Camp Shelby, Miss. When Dr. F. H. Green enlisted, the commissioners appointed Dr. Lee to fill out the unexpired term.

Whether Dr. Lee can hold the office for the full term—four years, to which Dr. Coleman was elected, is a question, but it is the opinion of attorneys who were consulted without looking up the law in the matter, that he would hold office only until another coroner is elected at the next general election, which will be held next November.

## WARRANT FOR MARTENS

Washington, Jan. 7.—A warrant for the deportation of Ludwig C. Martens, self styled soviet ambassador to the United States, has been issued, the department of justice officials said today. Officials of the department said they would serve the warrant as soon as they found Martens.

## SIPE CONTESTS MILITIA ACTION

Former Rush County Man is Re-  
leased on \$1,000 Bond When  
Militiamen Try to Arrest Him

ON A HABEAS CORPUS ACTION

Hearing Set For January 17 Over  
Protest of Adj. Gen. Smith Who  
Wants Hearing at Once

As he recently intimated he would do, Richard V. Sipe, son of Dr. and Mrs. J. A. Sipe of Orange and former Rush county man, has taken steps to contest the court martial which found him guilty of failure to report for duty with the state militia during the steel strike, by filing habeas corpus proceedings, which resulted yesterday in his arrest being delayed when Judge L. B. Ewbank of the Marion circuit court set the hearing on the proceedings for Jan. 17 and released Sipe on \$1,000 bond.

When Harry B. Smith, adjutant general of Indiana, protested that he wanted an immediate hearing of the case, Judge Ewbank replied that militia authorities have delayed action for two months already and shouldn't object if the court delays a little longer. He said that in the meanwhile he would release Sipe on bond.

Sipe, who was a member of Company H, 2nd Infantry, Indiana State Militia, did not accompany his unit to the Calumet strike region when it was called out on Oct. 8. He was arrested two days later and taken to Gary, Ind., where he was found guilty by a court-martial for failure to respond to the call to duty and was sentenced to five days at hard labor, forfeiture of all pay and allowances and dishonorable discharge. The execution of the sentence has been pending since that time because of errors in printing the order, according to the Indianapolis Star. The order was announced ready to serve yesterday and the Governor had set the State Farm as the place where Sipe should serve his sentence.

Two militiamen, Sergt. George E. Friel and Private Clarence R. Thomas, both of Company D, 2nd Regiment of the militia, appeared at the office of the Marion county clerk yesterday afternoon at 2:15 o'clock. They carried an order signed by Gen. Harry B. Smith for the arrest of Sipe. The order was general order No. 1, 1920, and stated that "Sergt. George E. Friel and detail are hereby directed to place under arrest Richard V. Sipe, Co. H, 2nd Infantry, Indiana State Militia, and bring him to this headquarters."

Sipe had not returned from lunch and the militiamen waited in the corridor for his return. When Sipe came in they did not recognize him and he went on into his office. While the men were still outside waiting, Sipe prepared his petition for a writ of habeas corpus and sent it up to the circuit court, where it was signed by Judge Ewbank. The petition named as defendants Friel and

## INFIRMARY CONTRACT LET

Commissioners Accept Bids of Local  
Merchants for Supplies

The county commissioners yesterday afternoon let the contracts for supplies for the county infirmary for the next period. On the following there were no other bidders: groceries, Homer Havens & Son; meats, the Weeks Fresh Meat & Provision company; dry goods, the Maury company. The contract to supply clothing was allowed to Frank Wilson, Bliss and Cowing being the other bidders. The Maury company also underbid Bliss and Cowing on the contract for shoes.

## COAL INVESTIGATION IS RESUMED TODAY

Federal Grand Jury is Probing the  
Coal Situation of the Country  
During the War

L. ERT SLACK QUILTS SAT.

Indianapolis, Ind., Jan. 7.—The federal grand jury today resumed its investigation of the coal situation of the country during the war.

The jury adjourned before Christmas for the holidays and was to reconvene last Monday. It was delayed, however, because L. Ert-Slack, district attorney, had to be out of town.

Slack went to Chicago Monday to argue for the government before the circuit court of appeals in the case of Louis G. Berman, Chicago wholesale liquor dealer, charged with violating the Reed amendment.

Vigorous prosecution of the probe into the coal business was promised by Slack. The grand jury devoted most of the time previous to its adjournment to educating the members upon the coal industry.

From now on, according to Slack direct evidence of violations of the Federal statutes by coal operators, miners, retailers, jobbers and any others who may be involved will be sought.

The investigation is not centered upon the period immediately preceding the strike but is extended to cover all the time American forces fought overseas.

Slack's resignation will become effective Saturday. After that time the inquiry will be directed by Dar W. Sims, special assistant district attorney in cooperation with Slack and Fred VanNuy, newly appointed successor to Slack.

Mitchell Lewis at Mystic

It was a woman who discovered radium, that greatest and most mysterious force known to science.

Mme. Curie, working in her laboratory in Paris in 1898, discovered radium in a substance known as pitchblend.

It was a woman, an agent of the American secret service, who saved the greatest supply of radium in the world from falling into the hands of foreigners, in "The Great Radium Mystery," the new serial which is to be shown at the Mystic Theatre.

You will be thrilled at her daring exploits when, disguised as Madame Nada, she ferrets out the secrets of her enemies and saves for her country this great treasure.

"The Great Radium Mystery" is an eighteen chapter serial, with Cleo Madison, Eileen Sedgwick, Bo-Reeves, Ed Brady and other well known players in the leading roles.

The first chapter will be shown tomorrow.

"Nine-tenths of the Law," which is at the Mystic today, presents one of the most human and altogether appealing stories that have come out of that paradise of story tellers—the North Woods. It is so big and simple in its conception and so direct in its development that it will have almost universal appeal.

Child interest, intense mother love and stirring personal encounters between rugged men of the woods are features of the tale, which is pictured in a wild region in perfect keeping with the story. Mitchell Lewis has the leading role.

"The Country Cousin" Tonight

The attraction tonight at the Princess theater will feature Elaine Hammerstein in "The Country Cousin."

The picture deals with two sides of the question, which in the end shows that the "City Cousin" was not blest with the riches of happiness that the "Country Cousin" had, and that the simple life was much better than the fast and frivolous life lead in the big city.

"The Life Line" comes to the Princess for a two day engagement Thursday and Friday. For the filming of the thrilling climax of "The Life Line," the new Paramount Aircraft picture, which Maurice Tourneur adapted from "The Romany Rye," the roughest portion of the Southern California coast was selected.

The scene was made while a great storm was raging. A real ship was run aground upon the rocks and a life line shot to it from ashore, with coast guards operating the gun. Then a wrecker's buoy was fired and Jack Holt, the hero in the picture, was hauled out to the ship, where Seena Owen, Pauline Stark, other members of the cast and scores of "extras" waited on the water-swept decks to be rescued.

All went well until the return trip when Mr. Holt and Miss Stark occupied the breeches buoy. The line hung so low that both were drenched from the knees down by the leaping waves. But just at the most dangerous point in their journey over the raging sea the line parted. The

ODDS AGAINST LOCAL FIVE

The local high school is to engage in a practice game tonight with the Morristown team, which will be in preparation for the Connersville game at that city Friday night. The local squad has been out of practice since the beginning of the holidays, and the game tonight will help put them back into shape. The contest tonight is private, and only the players will be admitted.

The game at Connersville Friday promises to attract a capacity house, as a big delegation from here will attend. The locals are not afraid of the Connersville team but are aware of the fact that the gymnasium is much smaller and the odds are against them. Nevertheless a big fight will be put up and the locals hope to bring the big end of the game home with them.

Players were flung into the waves. Mr. Holt is an excellent swimmer, but the heavy sea almost foiled his effort to hold Miss Stark up. However, Mr. Tourneur had provided for such an emergency, and stout life boats, which had been following the two, came to the rescue.

### HERE FOR A WEEK'S VISIT

Mrs. J. R. DeFrees and Daughter, Guests of Rev. DeFrees

Mrs. J. R. DeFrees and daughter Helen are visiting with the Rev. and Mrs. Talmadge DeFrees this week in the Little Flat Rock neighborhood. Mrs. DeFrees was formerly Miss Fairbanks, a niece of the late vice-president, C. W. Fairbanks, and her husband was a captain at the beginning of the war, being in the ordnance department in Washington. Later he was given in charge of the transport Antigone and made ten trips successfully through the submarine zone. He is at present in command of the submarine fleet of the Atlantic fleet with the U. S. S. Camden. Mrs. DeFrees and daughter will make a week's visit here, and will spend the remainder of the winter with relatives in Dixon, Ill.

A given quantity of steam coal will move 66 tons of freight and the same quantity of fuel oil will move 100 tons.

county to build the proposed highway under the county unit law, which limits each county to two percent of its total taxables, which under the new tax law, are in excess of \$67,000,000.

By eliminating the Hackleman road under the three-mile road law, more money will be available in Rushville township and may leave a sufficient balance to construct the D. C. Buell cement road, the petition for which has been filed, and calls for an extension on the brick pavement which ends at the east line of East Hill cemetery.

The west pike is not the only permanent road to be built in Rush county next summer, if plans do not miscarry. There are petitions pend-

### SWAMY-ROOT FOR KIDNEY AILMENTS

There is only one medicine that really stands out pre-eminent as a medicine for curable ailments of the kidneys liver and bladder.

Dr. Kilmer's Swamp-Root stands the highest for the reason that it has proven to be just the remedy needed in thousands upon thousands of distressing cases. Swamp-Root makes friends quickly because its mild and immediate effect is soon realized in most cases. It is a gentle, healing vegetable compound.

Start treatment at once. Sold at all drug stores in bottles of two sizes, medium and large.

However, if you wish first to test this great preparation send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle. When writing be sure and mention the Rushville Republican.—(Adv.) 4

**FOR SKEIFF.**  
We are authorized to announce the  
name of Sidney L. Hunt of Rushville  
township, as a candidate for Sheriff of  
Rush county, subject to the decision of  
the Republican primary election on  
May 4, 1920.

**1920 Prospects are Good**

Confirmed and irreconcilable bachelors look askance, nay, view with alarm the calendar for 1920, with particular attention directed to February. A casual glance suffices to indicate the reason for apprehension for February, 1920, contains twenty-nine days, 1920 being Leap Year. But this is not all. The twenty-ninth day is Sunday, so that the month will carry five Sabbaths on which maidens may stalk their prey. Five days on which, all business activities suspended, bachelors cannot seclude themselves in the inner regions of their offices, but must come forth to run the gauntlet. And to make a bad matter worse, Friday of the second week of February falls on the 13th. Once in a century February has five Sundays and 1920 is the one-hundredth year since a similar phenomenon occurred. Everything considered, 1920 should prove a lucky year for the girls, but to the bachelor contingent the twelve months are filled with dark forebodings.

**Trial of the Kaiser**

Periodically some story is sprung to the effect that the kaiser is to be tried, or that he is not to face his accusers, or that Holland will not surrender him to the allies. Then the story goes out that the ex-war lord will not submit to the indignity of a trial, and recently we were regaled with gossip to the effect that the imperial has been engaged in preparing his defense. In reality, the old man is becoming about as big a nuisance to the reading public as the peace treaty and the league of nations. That hundred million dollars John D. gave away Christmas morning is at the rate of one plunk for every person in the United States. Were you plunked?

Lumbago, —  
Rheumatism  
Caused by Uric Acid**

Laporte, Ind. — "I suffered for nearly a year with sciatica. I was unable to work for two months in the spring and about three weeks in the fall. I took electric treatments and several different kinds of medicine but got no relief until a short time ago when I came in possession of a bottle of Dr. Pierce's Anuric (anti-uric acid) Tablets, which I took in accordance with directions. One week after I started taking 'Anuric' I went back to work in a greatly improved condition, and today no matter what the weather is I have no pain from sciatica, so I will recommend the 'Anuric Tablets' to all who are suffering from rheumatism." — GLEN HINES, 204 Washington St.

Through failure of kidneys to act, through congestion, inflammation, any person's condition is ripe for disease to fasten its hold upon the system. Good government is not a matter of politics, but altogether a matter of common decency and common sense.

The cost of food is 92 per cent in excess of what it was five years ago, but we haven't noticed any proportionate shrinkage in the American stomach.

In the light of the Christmas fatalities, it is somewhat dangerous now to invite your friend to "step up and name his poison."

We appear to enjoy the rare distinction of being the only people on earth who can put the finishing touches to a war and then can not make peace after it is done.

America is sick—prostrate with a terrible disease—the uncontrollable lust for squandering money.

Convalescence from whooping cough left little Alfred with a nasty temper and his mother with frazzled nerves. His mother, pestered beyond endurance, directly after supper presented her darling with a warm wallop just below the belt line. Alfred developed a fierce coughing spell to incur sympathy and between whoops and yelps the riot was heard for miles. Finally, at nine, he was in bed and was petitioned with to make his prayer. He refused. His mother coaxed, hoping for victory. The boy was determined not to give in. And he didn't. Said he: "Maw, isn't God supposed to be settin' right on the bed when I pray?" "Yes, Alfred, and he will be sorry if..." "Well, he goes to our church, don't he, on Sundays?" "Yes, dearie, and next Sunday he would be sad if..." "Well, ain't hookin' cough ketchin'?" "Yes, pettie..." "Well, do you think it would be on the square for me to give it to Him and leave Him go to our church and spread it?"

WILL HAVE PIG ROAST**

Members Living in Rushville and Vicinity Urged to Return Cards by January 12

**TWO PIGS ARE TO BE DONATED**

Invitations have been sent out to all members of the Knights of Pythias lodge, announcing a pig roast banquet for Monday night, January 19, at seven o'clock, at Castle Hall. The invitations were sent on double postcards, and the return card should be answered by the 12th of January. The pigs are being donated by W. G. Morgan and Will Alexander, and the remaining "eats" are also being donated by various members of the lodge. The event promises to entertain over 300 Knights in Rushville and vicinity. The committee begs not to overlook anyone when sending out invitations, and all Knights are requested to signify their intentions of attending by notifying Bert Conde.

**GATTY SELLARS LIVES UP TO HIS REPUTATION**

Although Crowd is Small Due to Disagreeable Weather, Those Present Are Rewarded HIS MUSIC FULL OF APPEAL

Gatty Sellars, celebrated organist entertained with a varied program the crowd which gathered for the concert at St. Paul's M. E. church last night. The attendance was not as large as anticipated, due to the disagreeable weather which prevented many from venturing forth, but those who did attend were well rewarded for all the discomfort they suffered in going. Mr. Sellars, usually a despondent organist and those who heard him last night desire that he is all that the advance notices represent.

ed him to be. Taken as a whole, the recital was regarded as one of the finest musical programs, full of appeal and comprehensive in scope, which have ever been given in this city. The Mighty Andes, characterized as a "tone poem," was one selection which made a special appeal to the audience.

Miss Nelle Winkling will entertain the members of the S. E. T. club Thursday afternoon at her home in East Fifth street.

Henry Doll was delightfully surprised at his home in West Third street last evening. The guests enjoyed a pitch-in supper followed by an evening of card playing and music.

About twenty-five couples were present at the dance given in Arlington last night. Mrs. Francis Knecht and Fred McGinnis provided the music for the evening. The crowd was entertained during the evening by Robert Frazier with his comic songs and dancing.

The Woman's Home and Foreign Missionary society of the St. Paul's M. E. church will hold a union meeting tomorrow at the home of Mrs. E. B. Poundstone in North Harrison street. At 12:30 o'clock a luncheon will be served, followed by the regular programs of the two societies in the afternoon.

The members of the Social Club delightfully surprised Mrs. Mae Mitchell New Year's eve at her home in North Julian street. The evening was spent with story telling and readings, and a delicious oyster supper was served at a late hour. The guests departed after watching the old year out and the new year in.

The Methodist Aid Society of Glenwood enjoyed a very pleasant day with Mrs. Sarah Holmes Monday. The occasion was in the form of a surprise for Mrs. Holmes, honoring her 83rd birthday. Twenty-six guests were present to enjoy the pitch-in dinner served at noon. During the afternoon a business session was held, at which time officers were elected for the coming year.

The engagement of Miss Vera Trippitt, daughter of Mr. and Mrs. J. W. Trippitt of Fort Wayne, to Ross Morgan, a son of Mr. and Mrs. J. W. Morgan of this city, has been announced. The wedding will take place January 31. Mr. Morgan is related to the Trippitt family in Rushville. The announcement was made at a luncheon for the Beta Beta Alpha chapter of the Alpha Chi Omega sorority at the home of Miss Trippitt.

Kenneth Charles Newkirk entertained a few of his little friends with a birthday party Sunday afternoon in honor of his seventh birthday. Games and music furnished the entertainment for the little folks. At the close of the afternoon when they were invited into the dining room where refreshments of ice cream, cake and candy were served. The dining table was centered with a large birthday cake adorned with seven candles.

The W. R. C. penny social met yesterday with Mrs. Arnold Orms at her home in North Morgan street, with Mrs. Sarah Giffin, Mrs. William Morgan, Mrs. Cornelia Lyons and Mrs. William Higgs as assisting hostesses. The attendance was large and after the business part of the meeting, which was presided over by the new president, Mrs. William Higgs, a good program consisting of music and readings, was given. At the close of the program the hostess served delicious refreshments. The next meeting will be with Mrs. James Gregg February 3.

#### Days Pickings

Janet Smith is seriously ill at his home, 335 West Third street.

Thomas A. Fratter, who is said to be the oldest man in Rushville, is reported to be seriously ill at his home, corner of Ninth and Morgan streets.

A marriage license has been issued to Chester A. Mehl and Faye Gordon Scull, daughter of the Rev. and Mrs. John T. Scull. Both parties are residents of southwestern Rush county.

Friends here have received word of the serious illness of the Rev. James A. Sargent, at the home of his son-in-law, Loren M. Edwards, of Baltimore, Md. He has been ill since November of Bright's disease and his condition has recently become critical. The Rev. Mr. Sargent was formerly a resident of this county.

The funeral services for the late Thomas J. Humes will be conducted Thursday afternoon at the St. Paul's M. E. church, and friends wishing to view the remains may call this evening or in the morning at the home, Eighth and Perkins streets, as the casket will not be opened at the church.

## GOV'T HAS JOBS FOR DISABLED SOLDIERS

is Ready to Give Assistance to Anyone Who Received Injuries While in The Service

### MANY GOOD JOBS ARE OPEN.

Washington, D. C., Jan. 7.—Soldiers who are partially disabled from wounds received in the war are to be assisted in finding employment in civil positions under the War Department, according to information received from the U. S. Civil Service Commission.

It is stated that the War Department, the Federal Board for Vocational Education, and the Civil Service Commission will within a few weeks have completed a plan they have had under consideration for some time, one of cooperation whereby the employment under the War Department of partially disabled soldiers, including those who ordinarily would be barred from civil positions because of their physical condition, will be facilitated in every way possible, and which will permit the employment of partially disabled men on the same basis as those who have not sustained physical injury.

The War Department has considerably more than 100,000 civilian employees in its various establishments, and it is believed by Government officials that this large force can absorb several thousand partially disabled men without serious detriment to the service.

## BOARDS OF TRADE ARE CONDEMNED

Center Township Farmers Pass Resolutions Asking For a Fair Price Commission

### BOUNCE THE PACKERS

Say They Advertise a System of Propaganda Which Deceives People as to Their Profits

Condemning the practice of buying and selling of farm produce without any actual transfer taking place the Center Township Farmers association at its last regular meeting unanimously adopted the following resolutions:

Whereas there is at all times some controversy as to profits of capital invested as well as to wages paid for various kinds of labor.

Therefore be it resolved that there should be a commission formed called the "Fair Price Commission" composed of representatives of all industries and labor. The commission to have power to work out a system of cooperation between all branches of cooperation between all branches of industry and labor, so that all will receive a fair wage for their energy employed and a fair profit on capital invested:

Be it further resolved that we favor any legislation that will insure justice to all legitimate business and individuals and condemn legislation which gives special privileges to a few to the detriment of the masses:

Whereas in many lines of business employers enforce idleness upon their employees, thereby decreasing production of certain commodities, in order to increase selling price of same:

Therefore be it resolved that this organization indorse and labor for any act or legislation tending to relieve his condition.

Whereas commission firms may buy farm products necessary for the feeding of mankind and in order to increase their profits enormously by keeping the supply down they allow part of them to perish, rather than turn them into the channels of trade to feed a hungry world:

Therefore be it resolved that we condemn such practice and urge legislation to prevent it:

Whereas at present there is so much expense in marketing farm products which expense the consumer must pay:

Therefore be it resolved that the officers of the federation of farmers work out a plan whereby the farmer can sell his products direct to the packer, manufacturer or consumer.

Whereas there is a class of men that travel over the country selling merchandise to merchants who could order the same by telephone or letter and thus save the consumer the salaries and expenses of these men.

Therefore be it resolved that we urge the elimination of such unneeded for expense and recommend that the energies and abilities of these salesman be turned to some useful line of production.

Whereas farming is the only business in which cost of production and risks involved are not considered in fixing the selling price:

Therefore be it resolved that the Federation of Farmers should endeavor to figure the average cost of production of different farm products and thus be able after allowing a margin sufficient to cover failures due to weather, disease, etc., to give reliable information necessary to establish a fair price for their products.

## GRANDMOTHER KNEW

There Was Nothing So Good for Congestion and Colds as Mustard

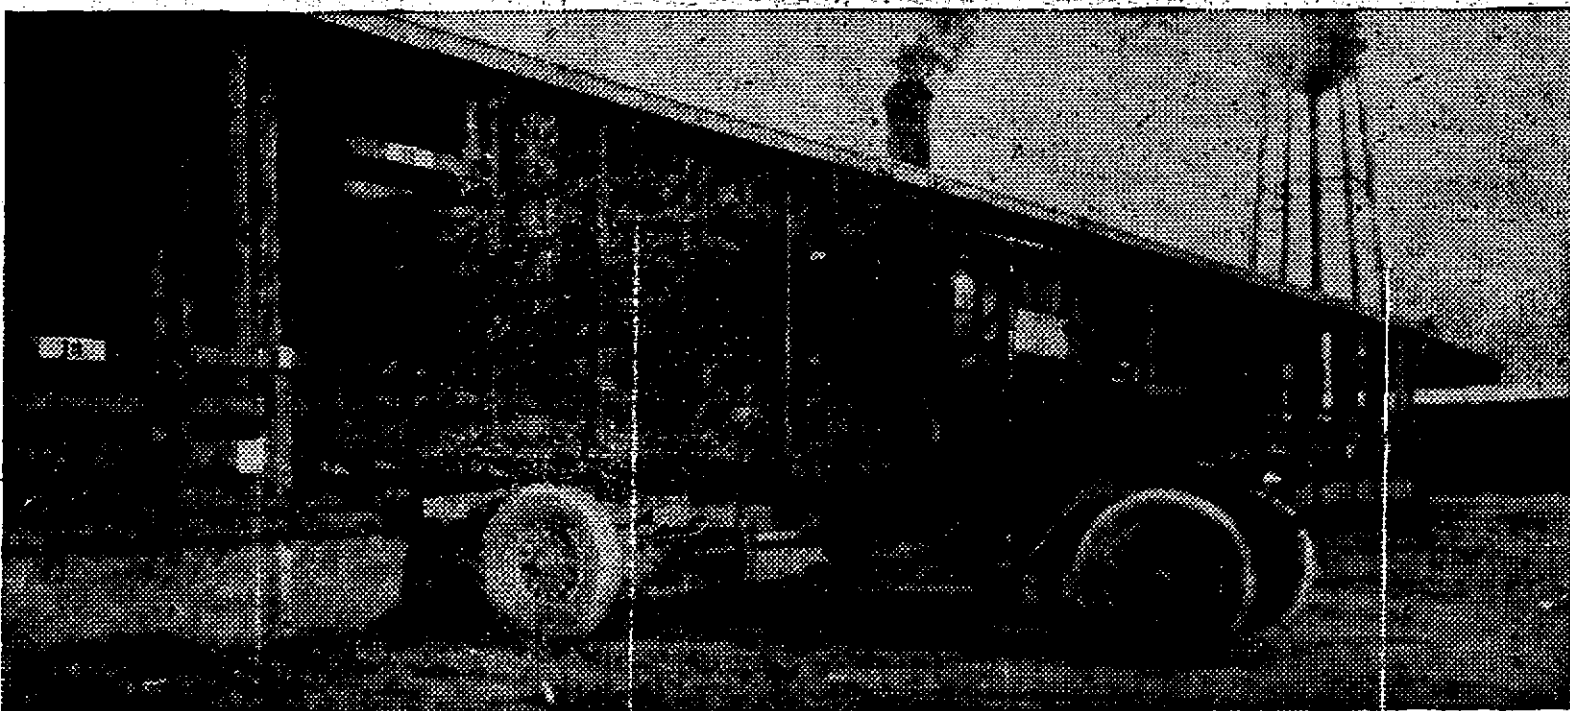

But the old-fashioned mustard plaster burned and blistered while it acted. Get the relief and help that mustard plasters gave, without the plaster and without the blister.

Musterole does it. It is a clean, white ointment, made with oil of mustard. It is scientifically prepared, so that it works wonders, and yet does not blister the tenderest skin.

Gently massage Musterole in with the finger-tips. See how quickly it brings relief—how speedily the pain disappears. Use Musterole for sore throat, bronchitis, tonsillitis, croup, stiff neck, asthma, neuralgia, headache, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frost-bitten feet, colds of the chest (or often prevents pneumonia).

30c and 60c jars; hospital size \$2.50.

Actual photograph showing Mr. Bixler unloading live stock from his Goodyear-Cord equipped truck at the Indianapolis stockyards

## On Pneumatics—Trucks Are Now More Useful in the Country

"I was doubtful about a truck, but Goodyear Cord Pneumatics have made me an enthusiast. I haul hogs, sheep, cattle, coal, ice, hardware and groceries up to 200 miles a day—save time, labor, gasoline, oil and shrinkage. Farmers here know it pays to motorize and that pneumatics save roads."—F. L. Bixler, Rural Express, Fortville, Indiana

THIS use of a motor truck to haul between Fortville and Indianapolis presents close-at-home evidence of the effectiveness of pneumatic truck tires for country hauling.

The first few trips of this truck on Goodyear Cord Tires convinced its owner, Mr. Bixler, that the truck could do twice the work which his teams could do in a day.

He can now make two round trips daily—to the Indianapolis Yards with livestock, and back to the farmers with food, fuel and supplies. Still he has time left for odd hauling from farm to farm.

The combination of effective cushioning and traction in Goodyear Cord Tires enables him to

strike a good pace and to hold it despite bad going without injury to truck or load.

His truck has needed no repairs in its first six months at work. It makes the two trips to the capital on 10 gallons of gasoline, or from 2 to 4 gallons less than certain local solid-tired trucks use.

On Goodyear Cord Tires, Mr. Bixler believes that his truck does half again as much work as solid-tired trucks.

Indeed Goodyear Cord Tires have enabled the truck to earn almost its cost in six months.

If you do hauling in the country, ask us for more evidence of the ability of a pneumatic-shod truck to do it quicker, better, and for less money.

## TREATY COMPROMISE SAID TO BE IN SIGHT

William J. Bryan, Mild Reservationist, Will Get Credit if It Is Accomplished

### CENTERS ABOUT ARTICLE 10

Washington, Jan. 7.—A solution of the treaty controversy is definitely in sight, mild reservation senators said today.

They declared that by the last of this week negotiations will have reached a point of definiteness never heretofore attained.

William J. Bryan, mild reservationist, will likely receive the credit for the solution.

His influence brought to bear upon certain democratic senators is responsible for the change of front in the democratic ranks, it was said. Reservationists today are carefully guarding details of what they confidently expect to be an acceptable compromise in center-arounding reservation to Article 10.

demand that such practice be abolished unless taken by farmers for their own private information.

Whereas there are located in all large cities "Boards of Trade" which control prices of the major part of farm products largely by speculating and gambling with them, while the cost of production is never considered.

Therefore be it resolved that we condemn the practice of buying and selling of farm products without actual transfer of the same.

## FOR ITCHING TORTURE

Use Antiseptic Liquid Zemo

There is one remedy that seldom fails to stop itching torture and relieve skin irritation and that makes the skin soft, clear and healthy.

Any druggist can supply you with Zemo, which generally overcomes skin diseases. Eczema, itch, pimples, rashes, blackheads, in most cases give way to Zemo. Frequently minor blemishes disappear overnight. Itching usually stops instantly. Zemo is a safe, antiseptic liquid, clean, easy to use and dependable. It costs only 35c an extra large bottle \$1.00. It will not stain, is not greasy or sticky and is positively safe for tender, sensitive skin.

# We Found Help In Nick Of Time

J. L. Scudder and Wife Are Rightly  
by Over-Exhausted Health—  
Archie Tait.

My wife was in about as bad fix as I was and I want to tell you, that was pretty bad, but we are now sound and well and two happier people couldn't be found anywhere," said J. L. Scudder of 135 Erwin street, Evans, Ill., recently.

"The day the arthritis was signed, about a year ago," he continued, "neither my wife or myself was able to go up town. We were glad, of course, the war was over, although we could take no part in the great celebration, but were feeling smartly blue and discouraged on account of our ill health.

"I had been laid up for months with rheumatism. The joints in my arms and legs were so swollen, stiff and painful that I could hardly keep from hollering. My feet were badly swollen and drawn, and I couldn't get my shoes on. I had been suffering this way off and on, for twenty-five years and, as I said, about a year ago I just got completely down and out. My kidneys had been all out of order for years and my back hurt me so bad that I was constantly leaning against something trying to ease my pain. I hadn't been able to hit a lick of work in some time and was in such a bad condition that I never expected to be well again.

"While laid up at home, I got to reading about Tanlac and finally asked a visiting neighbor to get me a bottle, which I began taking with almost immediate good results. In a short time I noticed the rheumatic pains easing up, the pain in my back got better, and I could sleep better than I had in years. I am now a perfectly well man, have not a pain of any kind, able to work every day for the United Box Company, and this wonderful change has all been brought about by a few bottles of Tanlac.

"Now, as to my wife's case: She had been flat on her back for weeks with indigestion, which had been coming on her for years. She was extremely nervous and in such bad shape that she had not been able to go up town for months. She could eat nothing without bloating all up with gas and suffering intense pains. Her heart would palpitate so on account of this gas that she could hardly breathe at times. But Tanlac has overcome all her troubles just as it has mine and we are both happy over getting back our health. From now on I never expect to be without Tanlac and my wife and I feel it our duty to tell everyone we can about it."

Tanlac is sold in Rushville by F. B. Johnson & Co.; in Milroy by Dallas Copper; in Manila by Geo. J. Inlow, and Arlington by Mrs. L. T. Davis.—(Adv.)

## CHRISTMAS SAVING CLUB

It will be lots of fun to be a member. The young folks, especially the "kiddies" will enjoy saving and planning what they will buy with their own money when Christmas comes, as well as to save a certain amount for the rainy day.

Just a few pennies, nickels, dimes or more deposited weekly by each member of the family insures one and all a very merry and bounteous Yuletide.

We are organizing our Club now and will be pleased to have you and all of your family become members. You can deposit 1c or \$10.00 per week as your future plans may require.

It's easy to join. The first deposit makes you a full-fledged member. There's no red tape, fees or fines or deductions.

## PRICE

## QUALITY

When you part with the amount of cash necessary to buy a manure spreader you have a right to expect a great deal. When you invest your money in the "Rushville Special" Spreader you get a good deal. We guarantee value received for every dollar you pay, and this against future conditions of every kind. Buy it now and take advantage of our prices. Don't starve your cash while you're making up your mind.

It is impossible to put the best of everything into anything and sell it at too low a price, because quality and price MUST go hand in hand. The "Rushville Special" Spreader comes from a factory producing the largest volume of spreaders anywhere in the world and our price is based on the quality built into this machine.

In buying a manure spreader you should not forget to take into consideration the cost of repairs and upkeep and the length of time it will last. Don't allow the penny near your eye to blind the dollar in the distance. Remember that the best, if you buy it at the right price, is the cheapest always in the end. The secret of the success of our Spreader lies in the results it gives both in work and in staying quality, and remember it is not only guaranteed by us but by the factory. A written guarantee that means something.

Come in and examine the self-cleaning conveyor, the Bull-Dog Cylinder, the No-Choke Box, the steel construction and steel frame hitch. Five years is a long time to absolutely guarantee. This means double or maybe three times that number of years of good hard service, if cared for. We can prove our word. Come and let us do it.

MUCH BUSINESS FACES CONGRESS AFTER XMAS

Peace Treaty, Anti-Bolshevism Legislation and Appropriation Bills are Unfinished

NO SPECIFIC TREATY PROGRAM

Washington, Jan. 7.—The peace treaty, anti-Bolshevism legislation and appropriation bills totaling billions of dollars faced congress as unfinished business when the members resumed work this week after the Christmas recess.

There was no specific program for peace treaty action. The sedition bill was on the calendar, directed to be called up in the senate first. The bill contains some new provisions that Attorney General Palmer wants passed so he can deal with American reds who at present go free in many instances, while alien reds are deported.

The most pressing work before congress are the appropriation measures, beginning with the Indiana appropriation bill.

These bills means a taxation program totaling between four and five billion dollars.

The Greater Need

"The great question now before us," began the ponderous constituent.

"We've got more questions on hand just now than we really need," interrupted Senator Sorghum. "Come around with an answer once in awhile"—Washington "Star."

URGES PEOPLE TO FIGHT CATARRH WITH SIMPLE HOME MADE REMEDY

Can Make Pint at Home and Costs Little, Says Leading Druggist of Covington, Ky., Who Has Made Special Study of Catarrh.

Says: Inflamed Nostrils Invite Influenza

People who say that catarrh is a disease not to be taken seriously are harshly rebuked by a Kentucky druggist who has for years been much interested in the growth of this loathsome, yet altogether too common disease. He claims that the sore, tender, inflamed membrane of the nostrils and throat is a prolific breeding ground for germs—not only the germs of influenza, but many other kinds as well. If people would only stop experimenting for two weeks and try a simple remedy made of Mentholized Arcline mixed with enough boiled water to make a full pint, half of the catarrh in this country would be abolished. It's really no joke for people who don't know about this simple recipe to be constantly sniffing and snuffling, blowing and hawking, when all these obnoxious symptoms as well as the foul discharge can be made to disappear in a few days. Ask for three-quarters of an ounce of Mentholized Arcline—that's all you need and after you have mixed it with enough boiled water to make a pint gargle the throat twice daily and sniff or spray some up the nostrils, as directed. The tender nostrils will soon lose their soreness, heal up, and be clean and healthy. Important Reminder: Just as soon as anyone in the family gets a cold in the head, check it at once with this same medicine.

## How Competition Helps You

The competition that exists among the hundreds of meat distributors, large and small, means

Rivalry in Prices  
Rivalry in Service  
Rivalry in Economy  
Rivalry in Quality

Swift & Company sells meat at the lowest possible price, consistent with quality and service. Our profit of only a fraction of a cent a pound on all products is evidence of keen competition.

Swift & Company must provide the best service to your dealer or he will buy from our competitors. This means a supply of fine fresh meat always on hand for you at your dealer's.

Swift & Company must keep down manufacturing and selling costs, and use all by-products to avoid waste, or else lose money meeting the prices of competitors who do.

Swift & Company must make its products of the highest quality, or see you turn to others. This means better meat for you and a greater variety of appetizing, wholesome food.

We are as glad for this competition as you should be. It helps to keep us on our mettle.

Swift & Company, U.S.A.

## DISCUSS PROPOSED RELATIONS COURT

Special Session of Kansas Legislature Considers Gov. Allen's Anti-Strike Ideas

### LAWMAKERS MEET MONDAY

Object of Proposed Measure is to Provide For Arbitration in Industrial Disputes

Topeka, Kas., Jan. 7.—Kansas lawmakers gathered in special session here this week to create "a court of industrial relations," to make labor strikes unnecessary.

The legislators had before them Gov. Henry J. Allen's proposal for such a court to protect the rights of the people. The object of the measure is not to provide for arbitration, but for the legal and speedy adjudication of labor disputes by a court of last resort.

It is known Governor Allen expects the legislature will go the limit in declaring strikes unlawful and the inciting of strikes or walkouts in the production of the essentials of life subject to severe punishment.

The governor's proposal is the result of his ideas written with firsthand information on the "industrial court idea" obtained from labor leaders, employers and theorists. Ever since the nationwide steel strike, Governor Allen and his advisers have sought some means of handling labor disputes, to make labor responsible for its acts and to try to prevent tying up of industries and forcing upon the people such suffering as that experienced in the recent coal strike. The "industrial court" is the result.

An almost parallel purpose of the governor in calling the special session was to provide for the expense of the national guard in the state's operation of the coal mines during the coal strike. A fund is needed to care for a deficit in the national guard funds.

This is the third session of the state lawmaking body to be held during the Allen administration. It sets a record in the matter of special sessions. The regular session of the legislature was convened in January a year ago, the governor called a special session during the summer of 1919 to ratify the federal suffrage amendment and now the present session. It is the first time in the history of Kansas that more than one session has been convened by the same executive.

Governor Allen covered three proposals in his message.

They are:

The establishment of an industrial court.

Complete re-writing of the workman's compensation law.

Establishment of a state employment bureau.

Besides these, the club women of the state have offered a bill authorizing construction of dormitories for girls at the state schools and Attorney General Hopkins has presented an anti-profiteering law "with a few teeth in it" for enactment.

A precedent for time consumed in special session also will be established according to indications, to day. It is estimated that the present session will extend over two weeks, despite the regular limit of ten days.

## Buy Your Ford Car Now

To make sure of getting a Ford car, buy one now. Don't wait until spring but buy now while deliveries are possible. Even next month is an uncertainty.

The number of Ford cars allotted to this territory is limited and specified. Even to get our allotment, we must have real, bona-fide orders for cars. Just so many cars allotted to us; just so many will get cars; will you be one of them? Those who order their cars now will be protecting themselves. If you would be forehanded get your name on an order today.

Don't think you cannot use it if you get it now. The four seasons are all alike to the Ford car. It is a necessity every month of the year. Besides, the Ford car is lowest in upkeep cost and easiest in operation. And the new Ford electric starting and lighting system makes driving more convenient. Your order for either open or enclosed cars will have our prompt attention.

## HOME MADE RECIPE CATARRH AND COLDS

### Nonexpensive—Cut This Out.

Thousands are making this beneficial remedy at home and anyone who has catarrh or a cold can do the same.

Ask your druggist for three quarters of an ounce of Mentholized Arcline and pour it into a pint bottle, then fill the bottle with water that has been boiled.

Gargle the throat as directed and sniff or spray the liquid into the nostrils twice daily. It's a simple way to get rid of cold and catarrh and keeps the nasal passage and throat so clean and healthy that germs of flu or any other germs will have a hard time gaining a foothold.

## WAS NERVOUS AND RUN DOWN

RESTORED TO NORMAL HEALTH BY BIO-FEREN

"I feel I owe you people a word of gratitude for the benefit I have received in using your wonderful remedy—Bio-feren Tablets, which have completely restored me to normal conditions," says Joseph E. Webb of Muncie, Indiana.

Bio-feren is without doubt the grandest and quickest remedy for nervous, run down, weak, anemic men and women ever offered direct through the druggists and is not at all expensive.

Take two after each meal and one at bed time, and after seven days take one after each meal and one at bed time until the supply is exhausted.

Then if you feel that any claim made in this special notice is untrue—if you are not in better health—if you do not feel ambitious, more vigorous and benighted, you, which is much as you did before, the druggist who sold you the tablets will gladly hand you back your money paid for them.

Can't get a druggist? Write to Geo. E. Webb, Muncie, Ind., for a list of druggists who sell Bio-feren Tablets.
